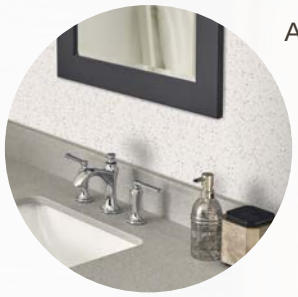
Our Decorative Product Range

Wall Panels

Elegance

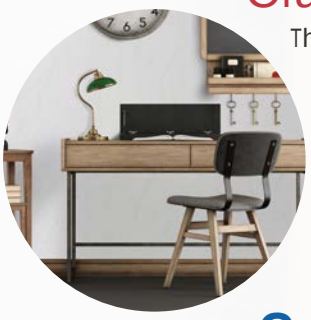
Elegance is a look at the next generation of PVC wall panelling, inspired by the natural beauty of the Earths Minerals and made available in eight high quality distinct styles: Abstract, Mineral, Mosaic, Mineral Tile, Woodgrain, Ultimo Tile, and Contempo Tile & Smooth.

Elite



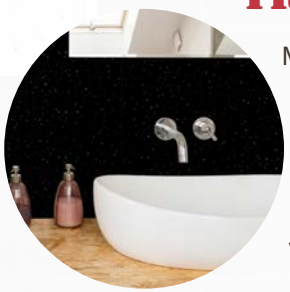
A premium PVC content makes this high quality range a little kinder to the environment! Choose from a foiled (15 colours) or printed (9 colours) finish, with a range of visual effects.

Classic



The MB Decorwall Classic range provides a clean, simple and traditional look; we find these panels are fitted the vast majority of the time in bathrooms.

TRADE LINE



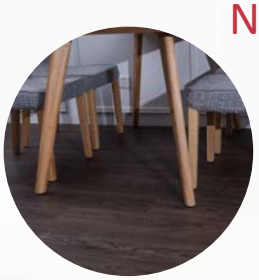
MB Trade Line is a highly cost effective range that includes a variety of finish options including sparkle, marble, and ash effects in a range of sizes and all at very competitive prices.

Ceiling Panels

The perfect finish to any freshly cladded room, our extensive range of ceiling panels includes numerous finish options and fitting types, with the addition of the Aqua Spa Ceiling Tile primarily aimed at commercial use.

Flooring

Natural

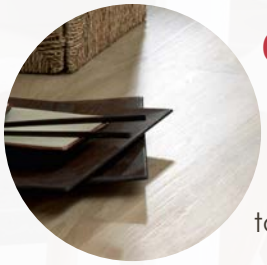


The Natural Collection features Rigid Core solid polymer com posite technology. We have available six wood effect type finishes and four stone effect type finishes.

Vivo

Vivo flooring offers a great visual finish, with six wood effect finishs options and four stone finish options.

Click

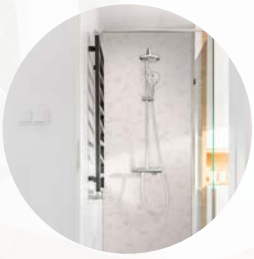


CLICK flooring features 10 wood & 11 stone effect finish options, all of which are durable, quiet and warm underfoot and easy to fit and maintain.

TLC LOC

TLC LOC is an LVF style flooring featuring 12 wood effect and 6 stone effect finishes which all benefit from the LOC style easy fitting and high levels of durability.

Shower Panels



XL

Featuring a specially developed square edge type fitting, our XL shower panels are designed with the modern style 120cm wide shower trays in mind.

MAXI

Featuring a flush style finish and designed to work with two popular widths of shower trays, ten colours are all available in 90 cm (T&G fit) or 120 cm (square edge fit).

Unique look and style

The unique Abstract textured finish adds a real touch of class to these panels, and really brings them to life when fitted.

Available in six colour options and with a stylish V groove finish.

Rigid core, or SPC (solid polymer core) is made of a composite core construction and is a step up from traditional solid LVF.

Featuring a higher filler content and higher density, the lack of foaming agent used means air bubbles in the core are omitted; the result is a thinner, harder and stiffer plank.

Practical and beautiful

Vivo flooring offers a fantastic visual finish with six wood effect colour options and four stone tile effect options.

Featuring a simple T & G fitting, this flooring has a 0.3mm wear layer and can be used in any room throughout the home.
