My RESIDENCE

Before & After

BEFORE

This home has been modernised with a whole new look using R7 windows, sprayed externally in a bespoke colour and a Chalk White internal.

BEFORE

The difference is unquestionable - R7 has completely transformed this box room into a bright and contemporary living space.

AFTER

Why R7?

An elegant flush sash exterior and interior gives R7 its chic modern appearance and versatility for all properties looking for a contemporary edge to their windows and doors. All glass sightlines are perfectly equal providing symmetry for a timeless kerbside appeal. Choose from one of our five glazing beads to fully personalise your internal aesthetic, continue the flush contemporary appearance with square or soften the look with decorative.

R7 windows and doors achieve the maximum on security, weather and thermal performance with a sophisticated 7 chamber design and intelligent features.

It's the ideal solution for a wide range of properties, from modern new builds and city apartments to country cottages, semi-detached houses, and everything in between, Residence 7 is intended to be the window of your choice.
