

# FENCING

by 

● aluminium & plastics systems

## WHY APS COMPOSITE FENCING?

- >Anti-UV stabilizer resists colour fade
- >Waterproof
- >Will never decay
- >Easy Installation

- >Low Maintenance
- >Long Life Span
- >Cost Effective
- >Eco-Friendly
- >Strong & Durable

## 3D Embossed Woodgrain Fencing

Our strong and durable fencing solutions will transform the appearance of properties and withstand even the most high speed winds. Their wood effect designs look great, requiring no annual painting plus the solid design can ensure privacy when necessary. The design ensures that the fences are simple to construct.

- >Lengths available in 1.8m and 3.6m
- >Samples available
- >Bulk orders available from stock
- >Free advice and surveys
